

Vlad Lupascu

Web Designer
Bucharest, Romania

Summary

I love to work and share ideas with smart and cool people. Thanks to the experience I earned, I plan to collaborate with anyone who needs my skills. About myself: cool leader, self-taught, creative, determined, open for new projects. www.vladlup.ro

Experience

Retina

Web Designer
Dec 2019 - Present (8 months)
Bucharest, Romania

I developed the website RetinaCommunications.com after the wireframes received from the creative team.

I did QA and make the website responsive for the mobile and tablet. Technologies used: FTP / Wordpress, HTML, CSS, Browserstack.

Mark & More Ideas

Web Designer
April 2016 - June 2019 (3 years 3 months)
Bucharest, Romania

I spent a lot of time creating and developing the following sites: markgifts.ro, rucsacantifurt.ro, b2b.markgifts.ro, designfriends.ro and rentexpo.ro. I also promoted these websites using SEO, Adwards, Facebook and Youtube.

Technologies used: FTP / Wordpress, Woocommerce, HTML, CSS, SEO
Graphic Technologies: Adobe Photoshop / Illustrator / Premiere and Corel Draw

LG Electronics

Webmaster
October 2014 - June 2016 (1 year 9 months)
Bucharest, Romania

Web | Multiple administrator websites

I administrated lg.com/ro as LG/Global Webmaster

Weekly Reports | data collection

Digital | Vectorial Graphics Editing
